      i. 2018-2019 Vice President – Christine has volunteered
      ii. 2018-2019 Secretary Position – Marlene still has interest, no one else has come forward
      iii. Liz M-C will confirm at June’s meeting, making sure no one else has interest.
b. Bylaws Committee  
i. No report this month.
c. Campus Climate/Membership/Awards Committee  
i. Peter reported they have received 35 submissions to date. Deadline is this Friday, May 11th.  
ii. 50% has been exempt status and 50% has been non-exempt  
iii. Filling 6 exempt and 4 non-exempt  
iv. There is recurring feedback from people saying they are not getting ERAC emails. The Listserv is not reaching the new faculty and staff. Liz is getting a lot of returned emails. She is working with Bobby in LTS, allowing the emails to reach more people using groups instead of the listserv.  
v. Discussion regarding attendance. By laws state after 2 meetings missed, time to think about current responsibilities and whether ERAC is something to continue or discontinue moving forward.  
vi. Alternates: After filling current term, others could be used as alternates, filling in positions that become open.  
vii. Due to the lateness of appointing new members, the June meeting will include current members only. New members will be invited as of the 1st meeting in August.  
viii. Suggested to host a Retreat the 1st week in August that would include the new members. This would be for professional and group development. Time set aside for Committees to network and start planning their year.  
ix. Name Tags have been suggested to be used for every meeting moving forward.  
x. Set up Zoom meetings has been suggested several times now.  
xi. As far as Awards, Pat Johnson is not a fan of individual awards. She suggested looking for more ways, new ideas, on how to appreciate and serve more of the community other than 2 individuals. Majority of Committee seems to agree, reaching more people should be the main focus.
d. Communications/Events Committee  
i. Yesterday was the last Knowledge @ Noon for this year. Very good turnout, approximately 40+ attendees. Will invite Barbara back in the Fall.  
ii. Other Fall ideas:  
- The Bee’s  
- Adrienne Washington, Southside Initiative  
- International Office  
- Basketball vs Football Game for Faculty/Staff Appreciation  
- Re-visit Iron Pigs and Phantoms, attendance has been low this year.  
- Look into Lehigh Valley Roller Girls
e. REACH/Liaison Committee  
i. Liz H. reported on the last meeting for REACH. Very disappointed, only 4 cohorts showed up while there were 12 staff members from Development and Alumni Relations. Other than Liz, no other committee member attended.  
f. CEC Representative  
i. Liz H. reported that the CEC Executive Committee is working on the first Annual Report. A Retreat has been scheduled for a full day in August at Bear Creek Resort.  
ii. Visions will no longer be the consultant for the University. Looking into new possibilities.  
iii. Three sessions have been scheduled to talk about the climate survey; May 30, June 27, and July 25. A different theme/topic discussion will be introduced at each session.
iv. Liz has stepped down from the CEC Climate Survey Subcommittee but will remain on CEC in the role of Tri-Chair.
