d. Communications/Events Committee
   o February K@Noon: Ilhan Citak’s presentation on the History of Lehigh was well attended and very informational. The Brown and White did a nice profile on Ilhan and the event.
     ▪ Other comments: The B&W article did have several errors and ERAC should have been contacted for confirmation purposes.
   o Faculty/Staff Appreciation Night was a huge success. Susan received several compliments that night and an email the following day from a staff member who had never attended a basketball game. His toddler son had a great time.
   o March 16 K@Noon: Classroom Technology – Visualization Lab – EWFM 370D
   o April 18 K@Noon: Community and Regional Affairs – Lehigh in the South Side Community.
     ▪ Issue: REACH has their program the same date and time. Traci will check with Andriene Washington to see if she would be available another day that same week.

5. Continuation of Action Items from previous meetings:
   a. Time off between Christmas and New Year’s
      o Ellen shared with the group, information in a handout she received from the Controller’s Office last month, which was also sent to everyone by email. Ellen will follow up with the Controller’s Office regarding a report for the October timeframe.
   b. 2nd Phantoms Game – Friday, April 13th, 2018
      o Another email was sent out. Ellen asked the group to share with colleagues, only a few tickets have been requested.
c. Staff Development Day – Wednesday, May 23rd, 2018
   o Waiting to hear back from Pat Johnson to see if she had a chance to share this program with Senior Leadership. Asking for their support and to encourage attendance.
   o Save the Date will be sent to Printing Services shortly. They will be mailing to all departments around campus. Please share with colleagues.
   o 10 presenters are confirmed to date. We will be able to host up to 16 sessions.
   o Other presenters are confirmed, just waiting on topics.
   o We have four rooms reserved for the 10:00-2:00 time frame. They will be 45 minute sessions, giving time for people to get to another session and network between sessions.
   o Rooms have been reserved in both Williams and the UC. Need to confirm one or the other.
   o Question was raised about RSVP’s. Not for individual sessions but overall, we will ask to RSVP in our communications to campus.
   o Question regarding deadline for presenters and resource tables. We don’t really have a deadline set at this point. For presenters, we are looking for six additional topics. If anyone knows of a particular group/department etc., please feel to reach out to them and ask if they would be interested in setting up a table at the event.
      ▪ Liz H asked if the Center for Gender Equity was asked to set up a table. Ellen responded, not as of yet; however, Ellen asked Liz H to please do so on behalf of the group.
   o Ideas regarding food: Pat Johnson indicated we need to feed people. Ideas from group - bagged lunches, separate trays to keep cost down, there is a Kitchen in Williams.

d. Spring Community Service Project Opportunity
   o Tabled for next meeting. Getting late in the semester to really get involved but Traci will follow up with Andriene Washington and report back to our group next month.

6. New Business:
   - Zoom: Marlene suggested offering individual’s the option to participate to our monthly meetings by Zoom.
      o Everyone has access to the basic account which is a 45 minute time frame. Can contact LTS for an upgrade.
      o Might be hard for those who don’t have private offices. You would need to set up in a conference area or get permission from a supervisor to participate by Zoom.
      o Ellen suggested one of the committee’s trying it for their meeting and report back to the group.

7. Meeting Adjourned at 10:56am
